

**NOTES:**

AutoCAD® hatch pattern files can be downloaded from [belgard.com](http://belgard.com) for use in architectural drawings.

Some patterns may not necessarily reflect the percentages of stone sizes within a particular pallet. In some cases you may have extras in one or more of the sizes. This must be accounted for in your planning and design.

**66.6% Dimensions/Origins 6**

**33.3% Dimensions/Origins 12**

Percentages are based on area by paver.
